Post Storage Update

Our storage shed was damaged by the hail last year. We will be replacing it in the near future. After replacement we will need some help sorting and moving items that will go in the new shed. If you would like to help contact John Hodge or Bernie Groharing

Post JAG

We currently have and opening for the Post JAG. If you are interested please contact John Hodge (Commander)

Membership

Written by Post Commander Hodge

We currently have a membership problem. There is currently no program to encourage renewals, recruit new members or invite current member who recently moved into the area to join our merry Post.

The Post Command has gathered a few volunteers to form a Membership Team for the purpose of setting up and the initial implementation of a membership program.

HOWEVER this will take some effort from everyone in the post. Many hands make light work. If you are called or asked to help know that it will be appreciated.

At our current level of participation we are surviving but not meeting the goals of a healthy post.

Honor Guard

Our Honor Guard has continued to keep busy and our numbers are dwindling. If you would like to honor those who have served in a unique way, this may be your opportunity. We work around your schedule. If you have questions contact any Honor Guard member.

Hall Rental

If you are interested in renting the Post Hall for an event or know of someone looking for a small venue please contact Bernie Groharing (Building Committee Chair)
